ACCOMODATION SUGGESTIONS

Groups with a (gym) climbing association can book dorms at the Kruithuis, opposite of the gym.

The Ibis Styles Delft City Centre, next to Delft Central Station offers our competitors a discount. Please contact us for the discount code.

Note: the city of Delft does not allow camper vans being used for camping on parkings overnight within the city! This includes our parking lot. We advise booking a spot at campsite Delftse Hout, best to [contact](#) them on beforehand.

COVID-19

Currently there are no restrictions re. Covid-19. If you'd like to wear a face mask, feel free to do so.

Good to know: the gym is equipped with a VFA Solutions Air Filtering System (Virus Free Air) plus an extra ventilation system that provides a continuous flow of fresh air. The gym has 15.800m³, the VFA filters 10.000m³ per hour. There will still be (chalk)dust in the air but rest assured we'll do our utmost to create a healthy sport environment.

FOOD

On Saturday the foodtruck SOL is open between 11 and 14h for excellent lunches. We'll serve our regular small snacks, delicious homebaked cakes and drinks.

PHOTOS and LIVESTREAM

During the event several photographers will be present. The whole event will be broadcasted - both days- via a livestream on our YouTube channel, while the photos will be published via social media. By entering the event you accept your picture might be taken, published and/or broadcasted now or in future, both in print and online.

PUBLIC

The event is open for spectators, for free. Please note that pets are not allowed in, except for official guide dogs. It will be busy in the gym, so please don't bring along your whole family ;)
